\* Free replacement warranty is 3 months in full electric vehicle use.

\*\* Free replacement warranty is 12 months in deep-cycle use and 3 months in full electric vehicle use.

<sup>∞</sup> If battery is used in on-highway vehicles equipped with two-way radios (such as taxis, police, and emergency vehicles), marine applications, off-highway use, and other non-automotive usage, free warranty replacement period will be 6 months and 3 months in full electric vehicle use.

## **LIMITED BATTERY WARRANTY**

This limited warranty is extended only to you, the original purchaser, for the vehicle which the battery was purchased for, and not to anyone who may purchase your vehicle from you during the term of the warranty.

THIS LIMITED WARRANTY IS THE ONLY WARRANTY ON THE PRODUCT. ANY IMPLIED WARRANTIES ARE GOOD ONLY FOR THE LIMITED WARRANTY PERIOD. OTHERWISE, EAST PENN DISCLAIMS ALL OTHER WARRANTIES EXPRESS OR IMPLIED INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

## **WHAT IS COVERED BY THIS LIMITED WARRANTY**

Batteries eligible to be covered by this Limited Warranty are warranted from the date of sale for the stated period ("MTHS. FREE") shown at place of purchase. Should the battery fail within the free replacement period, due to a defect in materials and/or workmanship (not merely discharged), it will be replaced with the same model battery free of charge. If the same model battery is not available, it will be replaced with a like kind and quality battery. Full warranty will not apply to replacement battery. A free replacement warranty continues from the original battery's date of purchase and does not extend the original warranty period.

## **WHAT IS NOT COVERED BY THIS LIMITED WARRANTY**

This warranty does not apply to discharged batteries that can be recharged and returned to service; labor costs for battery removal and installation; labor costs for other damage or repairs caused by the battery; batteries that have been opened, frozen, or damaged due to neglect or abuse including fire, flood, wreckage, or explosion; batteries with electrolyte other than as recommended by factory or with a "dope" or additive; batteries that fail as a result of a faulty electrical system or other components; batteries of an electrical size or capacity smaller than the one specified by the vehicle manufacturer; batteries used in applications for which they were not designed; nor in cases where the battery was installed and/or charged incorrectly. The warranty does not cover failures that occur outside the United States or Canada, service calls, towing charges, loss of time, inconvenience, loss of use of the vehicle, lost wages or lost profits. ALL CONSEQUENTIAL AND INCIDENTAL DAMAGES ARE HEREBY SPECIFICALLY EXCLUDED FROM THIS WARRANTY. Some states do not allow the exclusion or limitation of incidental or consequential damage, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state. Unless otherwise precluded by law, this limited warranty shall require no more than the replacement of the subject battery free.

## **HOW TO OBTAIN WARRANTY SERVICE**

You must keep the original purchase invoice or a reasonable copy and present it at your original place of purchase, along with the battery, when seeking a replacement battery under this warranty.
